HAVE YOU CONSIDERED P.A.D.?

As you know, our main source of income is our weekly collection. In the past this was sufficient to balance our annual budget, but today, we are aware that for many reasons, it is not always possible to be present every week. This is why our collection drops considerably during the summer months, holidays, spring breaks and bad weather. Today, more and more churches are relying on annual lump-sum donations, weekly envelopes and pre-authorized deposits.

St. Pat's has a pre-authorized deposit plan available to parishioners. This format offers many advantages and assures a steady cash flow all year round.

Benefits to you:

- You don't need to bring money or envelopes each week,
- You can provide regular on-going support to St. Pat's,
- You automatically receive a year-end receipt for tax purposes.

Benefits to St. Pat's

- Provides a more stable stream of income to assist in forecasting & budgeting,
- Reduces paperwork and bookkeeping.

Signing up is easy, just fill out the form. P.A.D. forms are available at the front of the church or from the office.
