### On the Lighter Side 🤔

A perfect summer day is when the sun is shining, the breeze is blowing, the birds are singing, and the lawn mower is broken.

### REFLECTING ON TODAY'S GOSPEL

In today's readings, Jesus is teaching us that God can work wonders from even the smallest beginnings of the Kingdom of God.

Contained within these parables are words of caution as well as words of consolation. In the parable of the sower we are warned against judging others. To judge and uproot the "weeds" prematurely will harm the wheat; final judgment rests with God.

In the parables of the mustard seed and the yeast, we are consoled by the message that God can work wonders and produce abundance from even the smallest beginnings of the Kingdom of Heaven.

This means that even the little things that we do can make a big difference in the lives of others.

### THANK YOU!

A BIG thank you to the kind people who planted the vegetable/plant garden beside the rectory. We are looking forward to enjoying the tomatoes and cucumbers soon!
