THOUGHTS FOR THIS WEEK

This Sunday's Gospel reading directly follows last week's Gospel in which Jesus taught the disciples how to handle disputes and conflict within the Christian community. In this Sunday's reading Peter asks Jesus how many times one ought to extend forgiveness to another. Peter proposes a reasonable number of times, perhaps seven. Jesus replies by extending Peter's proposal by an enormous amount; not just seven times should one forgive, but 77 times. The parable of the unforgiving servant is Jesus' elaboration of his initial reply to Peter. Through the parable we come to understand the depths of God's mercy toward us and the results of our acceptance of God's forgiveness.
