## WHAT IS P.A.D.?

Our main source of income is our weekly collection. In the past it was enough to balance our budget but due to the fact that it is not always possible for many of you to be present every week, this is no longer sufficient. Today, more and more churches are relying on pre-authorized deposits and weekly envelopes.

As you may or may not know, St. Pat's has a pre-authorized deposit plan available to parishioners. This format offers many advantages and assures a steady cash flow all year round.

Benefits to you:

- You don't need to bring money or envelopes each week,
- You can provide regular on-going support to St. Pat's,
- You automatically receive a year-end receipt for tax purposes.

Benefits to St. Pat's

- Provides a more stable stream of income to assist in forecasting & budgeting,

Signing up is easy, just fill out a P.A.D. form. Forms are available at the front of the church or from the office.
