PARISH BULLETIN

EASTER SUNDAY

ALLELUIA THE LORD IS RISEN

*Isaiah 65:17 For I am about to create a new
heaven and a new earth; the former things
shall not be remembered or come to mind.*

Is your mom a great cook? Has she
changed ingredients and seasoning,
turning an old recipe into something
new? Former recipes forgotten and new
ones created?

Jesus too, knows about new creations
and rebirth; He is the expert in turning
old patterns and habits into life-giving
purposes. The Word made flesh
blessedly assures us that the former
things – sin, sickness, death – will be
relegated to an unremembered past,
opening a space for something new to
grow and bloom.

Easter reminds us of God's gifts of
creativity and vision – of creating life
where only death was before, creating
light by which we can rightly see the
world. Easter offers us a vision of hope
and promise in this world, right here and
right now, fresh and new and holy.

*Moving forward: Plant something today
– vegetables or flowers, a prayer request,
or even a big kiss on a loved one.*
