Pope Francis' Message For These Times:

***“Often one is distracted by too
many interests, by too many
enticements, and it is difficult to
distinguish, among the many
voices and many words, that of
the Lord, the only one that
makes us free. This is why it is
important to accustom oneself
to listening to the Word of God,
to reading it. And I return once
more to that advice: **always
keep with you a handy copy of
the Gospel, a pocket edition of
the Gospel, in your pocket, in
your purse... and so, every day,
read a short passage, so that
you become used to reading the
Word of God, understanding
well the seed that God offers
you, and thinking about the
earth that receives it.”*****

- Pope Francis
