SOMETHING TO THINK ABOUT...

Be the kind of person your pet
thinks you are!☺

Pope Francis' Message For These Times:

“I would like to invite the young to perform a gesture of tenderness towards the elderly especially the loneliest, in their homes and residences, those who have not seen their loves ones for many months. Dear young people each one of these elderly people is your grandparent! Do not leave them by themselves. Use the inventiveness of love, make telephone calls, video calls, send messages, listen to them and, where possible in compliance with the healthcare rules, go to visit them too. Send them a hug. They are your roots. An uprooted tree cannot grow. It does not blossom or bear fruit. This is why the bond and connection with your roots is very important. “The blossom of a tree comes from what it has underground”.”
