SOMETHING TO THINK ABOUT...

*"In his wisdom, God set aside the Sabbath so
that the land and its inhabitants could rest
and be renewed. These days, however, our
way of life is pushing the planet beyond its
limits. Our constant demand for growth and
an endless cycle of production and
consumption are exhausting the natural
world. Forests are leached, topsoil erodes,
fields fail, deserts advance, seas acidify and
storms intensify. Creation is groaning!"*

Pope Francis

POPE FRANCIS' MESSAGE FOR THESE TIMES:

*"The task of "taking up the cross"
becomes participating with Christ in the
salvation of the world. Considering this,
let us make sure that the cross hanging
on the wall at home, or that little one that
we wear around our neck, is a sign of our
wish to be united with Christ in lovingly
serving our brothers and sisters,
especially the littlest and most fragile.
The cross is the holy sign of God's Love,
it is a sign of Jesus' Sacrifice, and is not
to be reduced to a superstitious object or
an ornamental necklace. Each time we
fix our gaze on the image of Christ
crucified, let us contemplate that he, as
the true Servant of the Lord, has
accomplished his mission, giving life,
spilling his blood for the pardoning of
sins."*
