SOMETHING TO THINK ABOUT...

"For with God nothing is impossible."

What a fabulous line! How often do you limit yourself because you believe something is impossible?

Dear Parishioners

It's been a complex and confusing year, this pandemic has greatly affected our personal, family and social life and has forced us to rethink our priorities. More than ever, we must go beyond our personal, parochial, provincial and national selfish tendencies to come to the aid of all our brothers and sisters in humanity.

We need a community that supports us, that helps us and in which we help each other to look ahead. How important it is to dream together. (Fratelli Tutti, n.8)

May the child Jesus who constantly comes to meet us, find in us, hearts that are welcoming and open to his coming.

May He watch over our families, our parish, the Church and Pope Francis.

May the year 2021 bring health, consolation and happiness!

May Jesus, the divine Messiah, make us authentic mediators of peace, love, hope and joyful witnesses of His presence.

Have a Happy and Holy Christmas and New Year!

Bishop Noel
