## REFLECTION FOR 2<sup>nd</sup> SUNDAY ORDINARY TIMES

### Pope Francis' Message For These Times:

***"Above all, let us not forget to thank: if we are bearers of gratitude, the world itself will become better, even if only a little bit, but that is enough to transmit a bit of hope. The world needs hope. And with gratitude, with this habit of saying thank you, we transmit a bit of hope. Everything is united and everything is connected, and everyone needs to do his or her part wherever we are. The path to happiness is the one Saint Paul described at the end of one of his letters: "Pray constantly, give thanks in all circumstances; for this is the will of God in Christ Jesus for you. Do not quench the Spirit" (1 Thes 5:17-19). Do not quench the Spirit, what a beautiful project of life! Do not quench the Spirit that we have within leads us to gratitude. Thank you."***
