DEC 8 - IMMACULATE CONCEPTION

Mary sustains our journey toward Christmas, for she teaches us how to live this Advent season in expectation of the Lord. For this time of Advent is a time of waiting for the Lord, who will visit us all on the feast, but also, each one, in our own hearts. The Lord is coming! Let us wait for him. Pope Francis

PARISH BULLETIN

SECOND SUNDAY OF ADVENT

Reflections For the Synod

Theme 6: Dialogue in the Church and with society

Dialogue is a path that requires perseverance, and also includes moments of silence and suffering, but which is capable of gathering the experience of persons and peoples.

- ∞ Do we have places and times to talk to each other in our community?
- ∞ How do we deal with differences of opinion, disputes and difficulties?
- ∞ How do we encourage collaboration with neighboring dioceses, with religious communities in the region, with lay associations and movements, etc.?
- ∞ What are the problems in the Church and in society to which we need to pay more attention?
- ∞ What experiences of dialogue and collaboration do we have with people of other religions and with people who have no religious affiliation?
- ∞ How does the Church enter into dialogue with other sectors of society (the political sphere, the economy, the world of culture, civil society, people living in poverty)? And how does it learn from these different sectors?

If you are interested in these questions, please send answers to synode@diocesevalleyfield.org leave them in the collection basket. Thank you for your participation! - Mélanie Pilon, responsible for the synod for the diocese of Valleyfield.

LITURGY 101

Welcome to Liturgy 101 - Lesson #12

Subject: Liturgy of the Word (Part 4)

- Prayer of the Faithful

The whole community with one voice prays to the Lord. Jesus said if two or three ask something, my Father will listen. That is why it is important to respond with one voice “Lord, hear our prayer”. When we make our profession of faith, we mention “the communion of saints and life everlasting”. This is the reason that masses are said for the deceased. One does not buy a mass but makes a n offering for a loved one for whom we pray. Masses are also offered in thanksgiving or for a special intention. It is as a family that all together we turn to the Lord.

– Fr. Pierre
