LITURGY 101

Welcome to Liturgy 101 - Lesson #19

Subject: Keeping Sunday Holy
'Today in the 21st century we need to hear Jesus' statement that *the Sabbath was made for humankind.* We work more than ever, produce more than ever, and are more exhausted than ever. The forth commandment was given to us as a gift – and not just to us, but to the marginalized, those without power or influence, those who have no choice but to work. The commandment specifies children, immigrants, people of service – *all* were to be given a day of rest. Instead of doing away with the Sabbath, we would do well to honour it. After all, it was made for us.
– Fr. Pierre
