PARISH BULLETIN

EASTER

SOMETHING TO THINK ABOUT...

“Dear brothers and sisters, we are
going through hard times, but
Easter is a reminder that death does
not have the last word. Together
with our most fragile brothers and
sisters, let us keep the torch of hope
burning!... Proximity, compassion,
tenderness. With these three traits
we see the face of God, the heart of
God, the style of God. I bless you
from my heart. May Our Lady
protect you, for she is Mother and
understands these things: she is
better than we are!”

Pope Francis

Warden's Meeting

The next Wardens' Meeting will be

EASTER REFLECTION

Easter is about resurrection. As
we retell the story, we relive the
resurrection of Christ that
happened so long ago. We also
experience how this story brings
about resurrection in our lives
today.

The question before us is
whether we will acknowledge that
new life in ourselves, the world,
and the people around us. Will we
celebrate new beginnings or look
for the living among the dead?
Will we make a fresh start or
continue bad habits? Will we
forgive or hold grudges? Will we
seek to meet the needs of others
or prioritize our own pleasure and
comfort?

Will we see Christ in the living
and life-giving aspects of who we
are and could be?
