### EASTER REFLECTION

“Brothers, sisters, Easter means  
“passage”. This year above all, it  
is a blessed occasion to pass from  
the worldly god to the Christian  
God, from the greed that we carry  
within us to the charity that sets  
us free, from the expectation of a  
peace brought by force to the  
commitment to bear real witness  
to the peace of Jesus. Brothers  
and sisters, let us place ourselves  
before the Crucified One, the  
wellspring of our peace, and ask  
him for peace of heart and peace  
in the world.”

*Pope Francis*
