FATHER'S DAY PRAYER

“God our Father, We give you thanks and praise for fathers young and old.

We pray for young fathers, newly embracing their vocation; May they find courage and perseverance to balance work, family and faith in joy and sacrifice.

We pray for our own Fathers around the world whose children are lost or suffering; May they know that the God of compassion walks with them in their sorrow.

We pray for men who are not fathers but still mentor and guide us with fatherly love and advice.

We remember fathers, grandfather, and great grandfathers who are no longer with us but who live forever in our memory and nourish us with their love.

Amen”

SUNDAY REFLECTION

“Each of us has our own story. None of us was born magically, with a magic wand. Each of us has our own story and the family is the story from which we originate... We come from a story that was woven with bonds of love, and the person we are today was born not so much out of the material goods that we enjoyed, but from the love that we received, from the love in the heart of the family. We may not have been born into an exceptional family without problems, but this is our story — everyone must think: this is my story — these are our roots: if we cut them off, life dries up! God did not create us to be lone rangers, but to walk together. Let us thank him and pray to him for our families. God thinks about us and wants us to be together: grateful, united, capable of preserving our roots.”

Pope Francis

SOMETHING TO THINK ABOUT...

A Dad is a person who wants to catch you before you fall, but he instead picks you up and lets you try again. - Author unknown
