SUNDAY REFLECTION

“Christian joy is about the experience of a peace that remains in our hearts, even when we are pelted by trials and afflictions, for then we know that we are not alone, but accompanied by a God who is not indifferent to our lot. When seas are rough: the storm is always on the surface but the depths remain calm and peaceful. That is also true of Christian joy: it is a free gift, the certainty of knowing that we are loved, sustained and embraced by Christ in every situation in life. Because he is the one who frees us from selfishness and sin, from the sadness of solitude, from inner emptiness and fear, and gives us a new look at life and history...”

Pope Francis
