SUNDAY REFLECTION

“What can I do for the Church?
Not complaining about the Church, but committing myself to the Church. Participating with passion and humility: with passion, because we must not remain passive spectators; with humility, because being committed within the community must never mean taking centre stage, considering ourselves better and keeping others from drawing near. That is what a synodal Church means: everyone has a part to play, no individual in the place of others or above others. There are no first or second class Christians; everyone has been called.”

Pope Francis

SOMETHING TO THINK ABOUT...

“If you don't feel like praying, pray anyway. If you don't feel like reaching out to a friend, do it anyway. If you feel like giving up, keep going. God can work through you in amazing ways even if you don't feel a thing.”
Gary Zimack
