### SUNDAY REFLECTION

"God's voice does not impose itself;  
God's voice is discreet, respectful – allow  
me to say, God's voice is humble – and,  
for that reason, produces peace. And it is  
only in peace that we can enter  
profoundly into ourselves and recognize  
the authentic desires the Lord has placed  
in our hearts. Many times, it is not easy  
to enter into that peace of heart because  
we are so busy with this, that and the  
other, the entire day... But, please, calm  
yourself down a little bit, enter into  
yourself, within yourself. Stop for two  
minutes. Witness what your heart is  
feeling. Let's do this, brothers and  
sisters, it will help us so much. When we  
allow ourselves to be calm, God's voice  
comes immediately. He is waiting for us  
to do this."

- *Pope Francis*
