SOMETHING TO THINK ABOUT...
Giving thanks warms the soul and reminds us that life is an extraordinary privilege. Joy doesn't come from having, but from appreciating what we.
- Matthew Kelly

ALL TOGETHER ON THE ROAD TO EASTER.

All together on the Road to Easter is the theme that we will explore during Lent. Lent was synonymous with penance, fasting and mortification. We have rediscovered that we are a people on a journey and must remember the destination, which is, to take part in the Resurrection of Christ. This long journey will not be as difficult if we are not alone. All together as a community, we are much stronger. When one is discouraged, another can reassure. When someone is sad, another can comfort.

This Wednesday by receiving the ashes, we will take the road that will lead us to the Cross but more importantly to Easter and the Resurrection of Christ. Let us all, with confidence, take the Lenten road with Jesus. There will be moments of doubt, of fatigue, and of deception but, also moments of joy, of discovery, and of grace.
- Fr Pierre Chabot
