Reflection

Today's gospel is straightforward.
Christ came into our world to give
us a share in eternal life, that is, in
the life of God. "God so loved the
world he gave his only-begotten
Son, so that everyone... may have
eternal life." This is the core truth
of our faith that we will never fully
understand in this world. Even so,
by believing in Jesus, we already
share in divine life. Of course, we
rarely perceive that. It is not part
of our direct experience.
Yet this is the wonderful truth of
our faith that could revolutionize
our world. Christianity is not
primarily about escaping
punishment. It is not a religion of
fear, but of life and love.

ARE YOU GOOD WITH NUMBERS?

We need people to help count the
Sunday collection. One weekend per
month, you will be required to count,
post and do bank deposit. If this is your
field of expertise, give the office a call.
Training will be provided. For more
info, call Mary 514-453-3329.
