REFLECTION

It is the work of healing that prompted Jesus to call 12 ordinary people into action to heal the wounds of the world. And it is this healing work, demanding as it is, to which we are also called. Today, will we come to Christ to be renewed in body, mind and spirit, to go back out into the fields of our families, friend, and communities, to heal lives before they are wasted? Holy Spirit of Jesus, nourish us today to be able to harvest the yield of our fields.

For this week, let us pray:
For the Church, witness to Christ's love;
For all Leaders and shepherd through the world;
For those who feel lost and abandoned;
For all fathers today, in gratitude for their love and care for their families;
For a generous response from our community to the Lord's call.

FATHERS' DAY PRAYER

God our Father, We give you thanks and praise for fathers young and old. We pray for young fathers, newly embracing their vocation; May they find courage and perseverance to balance work, family and faith in joy and sacrifice. We pray for Fathers around the world whose children are lost or suffering; May they know that the God of compassion walks with them in their sorrow. We pray for men who are not fathers but still mentor and guide us with fatherly love and advice. We remember fathers, grandfathers, and great grandfathers who are no longer with us but who live forever in our memory and nourish us with their love. Amen
