Offering Mass for a special Intention is a tradition in the Catholic Church. There should only be one Mass Intention per Mass. If you have preferred dates, you must call the office at least 2 weeks before the celebration of the Mass in order to secure the important date.

SOMETHING TO THINK ABOUT...

Prayer makes your heart bigger, until it is capable of containing the gift of God himself. - Mother Teresa

REFLECTION

Saint Francis of Assisi

Francesco Bernardone was born in Assisi, Italy in 1181 or 1182. The son of a wealthy silk merchant, Francis lived a life of comfort and pleasure. As a young soldier and prisoner of war, he survived severe illness and gave up the idea of being a knight. Believing his call was to serve God and the poor, he chose the way of poverty and self-denial. In 1206, he felt called to repair God's house, following the command literally. His angry father disinherited him, but Francis lived on alms and continued to repair churches. In 1209 he understood that his work was to build up the Church by preaching repentance. His zeal won disciples and in 1210 a rule was approved, with the pope giving Frances and his companions a commission to preach. By 1219, they numbered 5000.

Francis is credited with creating the first crèche, in 1223, to mark Christmas.

Francis died at Assisi October 3, 1226, and was canonized two years later. His Feast Day is October 4th. He is patron of Italy and of Ecologists/Nature!
