Non-perishable items can go under the trees and the perishable items must go in the freezer located in the church hall. We would like to thank you for your generosity."

ELECTION OF WARDENS

The election of Wardens is on Sunday December 8th after the 9am Mass. We have two 3-year terms to fill. NOTE: To be eligible for church warden, a person must be 18 or older, active in the parish, possess professional skills or administrative work experience and have a good reputation as a Catholic. A church warden is an administrator of the material goods and property intended for the religious benefit of parishioners. We encourage any eligible parishioner to stand for nomination as a way to engage and enrich our spiritual community through contribution of your talents and time. As a steward of the church, your role is critical to the future success of our beloved St Patrick of the Island. If you or someone you know is interested, please see Fr. Pierre or one of the Wardens.

REFLECTION

Hope is a radical act of defiance in the face of the impossible. God breaks into our world, not with strength or might or power, but with hope. Of all the things in the cosmos that God could have used, of all the magnificent power that God could have employed to get our attention, why would God use something as fragile as hope? Why not overwhelm humanity with displays of power and awe? History tells us that strength and power are fleeting vanities. History is littered with the ruins of authority defeated by the radical notions of hope, because hope against power always endures. The journey of hope may be long and winding, but it endures to the end. Hope comes to us in a manger and not in a mansion. As the Gospel of Luke reminds us, we have hope in the nearness of the kingdom of God. God comes to us in the frailty and the helplessness of a child because when hope spreads, when hope is shared, hope grows, and hope has the power to overwhelm the world.
